## Friends for Life.

There are more and more people moving into our part of the world who have a Muslim faith. We want to welcome, help and befriend them. M2N can help you do that.

## New Start to Muslim Ministry of Friendship.

**Siddique Paul** has been explaining how Jesus is the Messiah to Muslim friends for many years. Initially, that was in his country of birth, Pakistan. But for the last twenty years, Siddique and his wife Fozia have been befriending and sharing Jesus with Muslim people in Sydney and overseas. He has worked with several organisations eager to work in this area. Most recently, he has worked with Sydney Anglican *Evangelism and New Churches* and then *Baptist Mission Australia*.

### *Please contact us now to book Siddique.*

Now, Siddique is the main worker for a new group called *Messiah to The Nations Ministries*. We exist to help Christians befriend Muslims and share Jesus with them. Siddique can speak at your community, church or private gathering. He can present Jesus winsomely to Muslim people and help Christians know how to befriend and share Jesus with their Muslim neighbours. He will help you design the events. You can book Siddique by emailing and explaining your plans and situation: [siddique\\_paul@yahoo.com.au](mailto:siddique_paul@yahoo.com.au)

## Pray for M2N

1. Ongoing fruit from Siddique's recent trip to the Middle East.
2. Future of M2N events and plans to grow.
3. Pray for new doors to open for Muslim people to hear and trust in Jesus as Messiah.
4. More prayer and financial support.
5. Thanks for the new Board members of M2N Incorporated.
6. For friends whom you can tell about M2N.

Siddique and Fozia Paul

We are eager to help you design your event for Muslim friends. We can also design an event to help Christians learn simple steps on sharing Jesus with Muslim people they know.

Over the years, Siddique has seen many examples of people coming to see Jesus as the Messiah referred to in the scriptures and the Koran. The key is not arguments and claims and counterclaims. It is simply pointing to Jesus. Siddique can do that very clearly and with a helpful tone. He shares his own compelling story of coming to faith in Jesus from being a Muslim believer.

Siddique can talk to a wide variety of people, from all walks of life and ethnic and national backgrounds. Please contact Messiah to Nations Ministries and book Siddique to help you at an event for training, evangelism or running a workshop on the Koran and the Christian Scriptures.

## *Siddique Paul's Trip to the Middle East*

As a Muslim, Siddique Paul had a great desire to visit the Holy Land of Islam (Makka and Madinah) to do the pilgrimage but he didn't ever get that chance.

Siddique Paul came to our Lord Jesus Christ in 1998. Our Lord opened doors for him to visit Saudi Arabia (the city of Al Riyadh, along with the two major cities of KSA, UAE and Doha Qatar in June and July this year. While there, Siddique spoke in various meetings and training sessions to equip those believers and evangelise others there.
